

## SWING EVALUATION

### Swing Evaluation *Included with Game Plan* **\$125**

A 60 minute lesson working with a Certified Personal Coach using our Motion Measurement technology and video analysis to give you an in-depth view of your golf swing and an analysis of where it needs improvement.

## CLUB FITTING

### Club Fitting *Included with Game Plan* **\$125**

A 60-90 minute session with a Certified Fitter powered by TECFIT™ technology to find the best clubs for your game. Our Club Fitting ensures your golf clubs are fit to your swing so you get the most out of every shot.

## Comprehensive Game Plans

At GOLFTEC, we know that lasting improvement takes a comprehensive approach of sequential lessons, video-based practice and club fitting. That's why our Game Plans include everything and come in different sizes based on your current game, goals, and budget. You'll work with your Coach to determine the best way to use your lessons including full-swing, putting, chipping and on-course lessons. And you'll get Free Club Fittings with an active Lesson Pack or Game Plan.
